End of 2015 special...

We need to clean house at the Secret MICRO-FILM Headquarters, gang!

Even though MF 7 was the end of our run, we have kept busy ever since and space at MFHQ has been dwindling. Can you help us re-home copies of the Magazine of Personal Cinema in Action? Choose 4 copies of any of the issues listed above for only \$20 post-paid in the U.S. and Canada! Add MICRO-FILM to your collection, read MICRO-FILM to recall or research what the late glory years of American independent and D.I.Y. cinema were like! We can accept money orders and well-concealed cash made out and sent to: Jason Pankoke, 401 N. Prairie, Suite 3D, Champaign, IL, 61820. (Note: Our P.O. Box is long gone.) List your issue choices and mailing address on a print-out of this flier, and we will send you unread MICRO-FILM copies in sturdy packaging—maybe even with bonus swag from the era! These are *not* available anywhere else and, *hint hint*, we have very limited numbers of MF 3 and 4. Thanks in advance for adding us to your film literature library! Good through 6/30/2016. All sales are final.

Your pal, Jason Pankoke a.k.a. "Mr. JaPan"
